MAYOR'S MESSAGE

Dear Community,

October is always a fun month for my three boys. They love to trick or treat at the downtown event the business community hosts each year. It is a great time to meet your neighbors, dress up as your favorite super hero, and visit with the different businesses that are in town.

I hope you enjoyed the Quilt Show and/or the Heritage Festival last month. The weather turned out great! I want to thank the organizers of each of the events for their hard work in making them happen.

Speaking of weather, it is getting dark earlier and of course it has started raining, so please drive carefully and watch out for kids heading to school in the dark. The changes we are seeing in the weather reminds me to bring up disaster preparedness. I know it is not a fun topic, but we need to be prepared for potential severe weather changes.

On a much happier topic, I had the chance to tour the many renovation projects that our school district has accomplished in the last couple of years. I am really impressed with how they have turned out. Our school district has accomplished an amazing thing, with how well they invested our dollars into our schools. I hope you feel the same way. When you see a school board member or administrator, please thank them for their hard work.

Finally, on behalf of the Police Chief and Fire Chief, I'd like to thank everyone who came to the 9/11 ceremony. The support of those who attended and those who organized the commemoration is much appreciated.

Enjoy the month,
Will Ibershof

STREET CORNERS AND WATER METERS:

You may receive a "trim" notice from Public Works. We are in the process of locating every water meter in the City as well as identifying street corners (DMC 14.64.160) that may need to have the trees and shrubs trimmed.

It is important for water meters to be clear as tree and shrub roots can damage underground pipes. Street corners should be kept clear to maintain safe vehicle and pedestrian travel. Please help us to improve safety. Contact Joe Chriest at 425-788-3332 if you have questions.

Daylight Savings ends November 6th.
Don't forget to set your clocks
back one hour.

It's time for Trick or Treaters! On **Monday, October 31st**, from 3:00 P.M. – 6:00 P.M., we are inviting children to downtown Duvall for Trick or Treating. Many businesses will be giving out treats for Halloween. Participating businesses will have a balloon at their entrance. Join us in Duvall!

NATIONAL CRIME PREVENTION MONTH: KNOWLEDGE IS POWER

While we here at the Duvall-Carnation PD come to work each day with crime prevention and your safety as our foremost objectives, we imagine that may not always be at the top of your list each morning! October is National Crime Prevention Month - official month for recognizing the practice of crime prevention, while promoting awareness to create safer, more caring communities. The month-long celebration spotlights successful crime prevention efforts on the local, state, and national levels.

Each year the National Crime Prevention Council (NCPC) sponsors Crime Prevention Month and provides on their website a "Crime Prevention Month Kit" with a different theme each year. This year's theme is "Young Adults and Safety" and their resources provide some invaluable insight as to what all young adults (and their parents) should know before venturing out into the "big world." Please take a look at <http://www.ncpc.org/programs/crime-prevention-month/crime-prevention-month-kits>. Themes from prior years are equally informative and include, "Circle of Respect," "Staying Safe in a High Tech World," and more! Get your family members and neighbors involved!

We also have available a few updated brochures for your use and ask you to take a few moments sometime this month to review them. You can find them either online at <http://duvallwa.gov/departments/police/servicesandprograms.html> or here in our lobby M-F 8:30am – 4:30pm at 26225 NE Stephens Street. Consider your family's current "routines" – are you keeping yourselves protected efficiently? We hope you'll think about partnering with NCPC and the Duvall-Carnation PD to help keep your community the great place it is today!
